We are happy to bring you our 550th to 553rd unreserved public auction sale.

First off, we would like to thank the Royal Philatelic Society of Canada for the privilege of holding an auction at the 2019 Royal Stamp Show, which is being held this year at the Mississauga Hilton, located at 6750 Mississauga Rd, L5N 2L3, in Mississauga, ON.

This auction will take place over the course of three days. Sessions One to Three on the evening of Tuesday June 18th and all day Wednesday June 19th at our offices in Aurora. On Friday June 21st at 6pm we will hold our Fourth Session at the 2019 Royal in Mississauga. We've arranged for additional viewing of the lots for Friday's session at the Hotel from 10am-5pm. **Please note that our offices will be closed on Thursday June 20th.**

In 1987, Canadian philatelists everywhere were excited about CAPEX 13-21 June 1987. My father and the staff at R. Maresch & Son were the official auctioneers and were busy putting together an auction for the show. As fate would have it, we have an item in this sale that we sold just before CAPEX that was exhibited at the show. R. Maresch & Son is an unreserved auction house and we pride ourselves on offering a wide range of items from the properties of numerous owners and estates.

This sale offers many very fine or better items from Pence on. It also has many Leaf, Numeral, and Admiral large multiples, including a complete sheet of the 10¢ Numeral. Over 70 Large Queen lots, 10¢ Small Queens including shades, dated copies, and varieties. The Collections of William Apsit with Latvia including extremely specialized collections of the First Issue printed on Maps, Currency, plus Revenues, Fieldpost as well as other Baltic countries.

*This sale will run a bit differently than usual. We will still start with Canada larger lots moving through foreign alphabetically, however we have pulled some better individual items and sets that would normally be a part of these areas for our Royal Session. Please look carefully through our last session as you will find many items of interest there. Also note that we will be displaying Mr. Apsit's exhibits of Latvia Number 1 and 2 as well as his Revenues at The Royal until Sunday. Please take extra time to carefully look over the catalogue.*

Lots can be viewed at our offices located at 2 Vata Crt, Unit 6 in Aurora from Monday June 10th to Saturday June 15th and Monday June 17th to Tuesday June 18th, 10am-5pm. Earlier viewing by appointment only. **Additional viewing for our Royal Session will take place on Friday June 21st in the GREENWICH ROOM at the Mississauga Hilton.** Follow posted signage or visit us at Booth 32 for any assistance you may need.

**PLEASE NOTE:** If you are planning on mailing or faxing us your bids, be sure to send them to us as early as possible as we will not be in the office to receive them beyond Wednesday June 19th. We will not be bringing a fax machine to the show. Bidding through SAN stops 1½ hours before the start of each session of LIVE floor bidding.

## TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, his decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. **PAYMENT IS DUE AT THIS TIME.** MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked Packet-USA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked packet International where available, or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), he must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50 Canadian) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by registered mail or bonded courier. Lots back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shade, however stamps photographed in colour may not be returned because of shade differences between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS.** Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS.** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good. The word ALMOST preceding the quality rating - as for example in "almost very fine" - means that the quality is better than fine but not quite very fine.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's standard postage stamp catalogue, and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that he has inspected the lot and agrees with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
11. This sale is conducted by and for the account of R. Maresch & Son Auctions Limited.
12. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE TERMS OF SALE.
