Welcome to our 561st auction sale. We hope this catalogue finds you and your family healthy and safe.

Covid-19 has affected everyone worldwide and we still need to do our part in social distancing. We all must pull together in these difficult times. It is hardest at this time of year when we all want to get together with family and friends. As the winter months approach many of us will be forced to spend more time indoors. Please stay strong and let us try and get through this together.

It has, for many of our customers, been an opportunity to spend more time enjoying their stamp collections.

Our September sale was remarkably successful, with hundreds of bidders from all corners of the world. To all the old customers that we have not heard from in years it is nice to have you back. To all the new bidders, thanks for participating. To all, if there is anything philatelic, we can help with please feel free to contact us.

This auction will be held using Stamp Auction Network's 'LIVE INTERNET BIDDING' for two days. Starting at 9:30 am EST and have a 30-minute break for lunch at 1:00 pm EST and another at 5:00 pm for dinner.

This auction is the property of over 60 owners, some who have been customers for over 50 years. You will find many better Canada with Pence and Cents including Proofs, Large Queens with Proofs, Small Queens to modern with many never hinged very fine examples as well as many modern varieties including IMPERFORATES. The Great Britain section has collections of Penny Reds many Plated with Maltese and other cancels. We received a wonderful collection of British Commonwealth George V to the year 2000 with Elizabethan era mostly never hinged, as well as many singles and sets. The Foreign section has many larger collections and accumulations plus Topicals, Iceland, Germany, and USA, etc. Please take time to look at the catalogue with many images in the catalogue as well many more online. If you have requests for more pictures or scans than we have on the Stamp Auction Network website, please feel free to contact us and we will do our best to get them up on our new page at <https://www.maresch.com/current-items/>

We are already working on our Spring auction which will feature several large Estates and properties already on hand. We are always looking for more material for our upcoming auctions and would be most pleased to include your stamps in this auction. Please feel free to contact to discuss any plans you may have for selling your collection. We look forward to hearing from you.

We at R. Maresch & Son would like to take this time and wish everyone and their family's a safe and happy festive season. Merry Christmas, Happy Hanukah, and Happy New Year

The Maresch family Melanie, Charlie, Jillian and Peter Maresch, Gord and Marie Stott

TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, their decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. PAYMENT IS DUE AT THIS TIME. MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked PacketUSA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked Packet International (where available), or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), they must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by a signature mail service or bonded courier. Lots that have been back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shades, however stamps photographed in colour may not be returned because of shade differences or centering between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS**. Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS:** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's Standard Postage Stamp Catalogue, and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS:** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that they have inspected the lot and agree with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
