## LIVE INTERNET AUCTION. NO FLOOR BIDDING

This auction will be held using Stamp Auction Network's 'LIVE INTERNET BIDDING' for two days. June 9-10, 2021

Start time 10:00 AM EST 30 minute breaks at 1:00 PM EST and 5:00 PM

Our last sale was remarkably successful, and it appears that the stamp market is continuing in an upward trend. If anyone is wondering if this is a good time to sell, the answer would be an astounding yes. Prices are up for quality material, with many of our regular buyers saying they are having a hard time getting material with bids as high as 90% of catalogue.

This sale is made up of the property of over 65 owners and estates.

Semi-Official Airmails, Canadian Revenues, Newfoundland, British Commonwealth, People's Republic of China 1980 year of the Monkey block of four, Liechtenstein and many other worldwide collections and individual items. It also contains many large carton lots and our shelves are again full.

The pandemic and its restrictions are now starting into its second year with no end insight. Hopefully, most of you have received your vaccines by now. Ontario is going into another level of lockdown as I write this, so viewing will be on a one-on-one basis, according to whatever the new regulations are.

If you are interested pictures or scans of larger lots that we have not already posted on Stamp Auction Network please feel free to take a look on our website at <https://www.maresch.com/current-items/> to see if we've uploaded them as a result of someone else's request. If you can't find them there please feel free to contact us and request images. We will upload as many as we can.

Last year due to the Covid pandemic we have been without our usual floor bidders as we started doing online only auctions, our consignors have been extremely happy with the results. If you have material that you are no longer collecting, please feel free to contact us regarding selling. We are always looking for more material for our upcoming auctions.

R. Maresch & Son is proud to announce that we will be the Official auctioneers at CAPEX 2022 taking place June 9-12, 2022 at the Toronto Convention Centre. We will be having a sale at the show. This will be our fifth CAPEX and the fourth where we have held an auction. Please keep an eye out for upcoming information with regards to the sale.

Please keep safe and we hope one day in the not-too-distant future we will be able to meet again.

Peter Maresch

## TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, their decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. PAYMENT IS DUE AT THIS TIME. MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked PacketUSA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked Packet International (where available), or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), they must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by a signature mail service or bonded courier. Lots that have been back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shades, however stamps photographed in colour may not be returned because of shade differences or centering between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS**. Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS:** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's Standard Postage Stamp Catalogue, and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS:** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that they have inspected the lot and agree with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**

**AUCTION CATALOGUES AND PRICES REALIZED.** If you wish to continue to receive our catalogues and prices realized, please subscribe or you may be removed from our list.
