CELEBRATING 97 YEARS

# r. maresch & son

CANADA'S PREMIER STAMP AUCTION HOUSE SINCE 1924

Proud to be Official Auctioneer of  
**Canada's International Philatelic Exhibition**

We hope this catalogue finds you well. This summer we had the joy of having our son Charlie spend a couple days a week helping us in the office. It has gone by quickly and now school is back. Hopefully you have had some time to enjoy your families and collections this summer as well.

Our last sale was very successful, with many new bidders from all over the world, and prices realized 36% over original estimate. The stamp market is strong, and if you are considering disposing of your collections we are here to help. We are constantly getting calls from customers looking for more material. Whether buying or selling, feel free to contact us to discuss how we may help.

This auction offers the collections and estates of over 60 people. Starting with Canada larger lots, Postal History and FDCs, Pence, Large Queens, Cents, Jubilees, Admirals, and modern varieties. The British Commonwealth section might appear smaller than normal but as an unreserved auction we are dependant on the collections consigned. The larger lots in this sale have filled our shelves again. Please come and take time to view as there is too much to mention in the descriptions, viewing is a must.

***Viewing October 25 to October 30 and November 1 to November 2 from 10:00 am to 5:00 pm. Earlier viewing by appointment only.***

We are planning to have our normal in house viewing prior to the sale. Currently the local by-laws will allow for this. However, with the next wave of Covid cases rising everywhere we will be following any changes in the local by-laws. If there is a change, we will be happy to accommodate viewers on a one on one basis. Feel free to contact us to arrange a time.

We are still getting late bids via mail and fax even during the sale. Unfortunately, as much as we want to accept your late bids, we can't. Please do your best to ensure your bids arrive before the sale, Tuesday November 2<sup>nd</sup>, as it does take time to enter them. This public unreserved auction sale again will be held **LIVE** at Stamp Auction Network <https://stampauctionnetwork.com/rm/rm565.cfm>. Please make sure you are registered prior to the sale and feel free to bid as soon as possible or anytime during the sale.

2022 will be a very busy year for us with CAPEX 2022 approaching quickly. We will be having another general auction mid May to allow for pick up and shipping of all lots prior to the show.

CAPEX 2022 will be in downtown Toronto June 9-12, 2022 at the International Convention Center. <https://capex22.org/> R. Maresch & Son will be selling the Fred Fawn award-winning Large Queen exhibit at unreserved public auction on the Friday June 10, 2022 at 6:00 PM, after the bourse closes. We will also have some retail items available for the entirety of the show. Please come and visit us at our booth **711** and **713** to say hello again or meet us for the first time.

## TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, their decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. PAYMENT IS DUE AT THIS TIME. MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked Packet-USA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked Packet International (where available), or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), they must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by a signature mail service or bonded courier. Lots that have been back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shades, however stamps photographed in colour may not be returned because of shade differences or centering between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS.** Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS:** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's Standard Postage Stamp Catalogue and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection, we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS:** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that they have inspected the lot and agree with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
11. This sale is conducted by and for the account of R. Maresch & Son Auctions Limited.
12. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE TERMS OF SALE.
