Our March auction was very successful, especially the section of Proofs and Essays. We had a record number of bidders from all over the world.

This auction general sale that will follow our CAPEX 22 auction has turned into more of a Specialized sale. Comprised of Canada Postal History very fine strikes of Upper Canada Double Circles; Canada 1859 10¢ Prince Albert covers by printing order, and Semi-Official Airmails. A collection of Newfoundland including die Proofs found on their original lot sheets for the Harmer's 1970 Dale-Lichtenstein sale. A fabulous collection of British West Africa Victoria to George VI including Gambia, Gold Coast, Lagos, Niger Coast and Protectorate, Nigeria, Northern Nigeria and Southern Nigeria, Niger Company Territories, Somaliland Protectorate, with PROOFS, SPECIMENS, mint, used, varieties, complete sheets, stationery including SPECIMENS unused and used, etc.

Our normal viewing will resume for this sale. Monday, June 20 to Saturday, June 25 and Monday, June 27 to Tuesday, June 28 from 10:00 am to 5:00 pm. Earlier viewing by appointment only. We will also be bringing the small lots to CAPEX 22. If you are interested in viewing at the show, please come by our booths 711 and 713.

Since we have moved to LIVE internet bidding, we have noticed that most people like the option of not having to leave their homes, or offices, to bid. At this time, we will not be bidding on the floor for our auctions. The most important part of bidding in an auction is doing your homework and viewing the lots. Not all auction houses are the same, and descriptions sometimes can be misleading. We do our best to describe lots carefully, but sometimes, especially in large lots it is difficult for bidders to fully picture the lots. Coming in to view the numerous large lots in our sales prior to the sale will give you a great advantage over those who don't.

Please note that Friday, July 1st is Canada Day and our offices will be closed.

We are still getting late bids via mail and fax even during the sale. Unfortunately, as much as we want to accept your late bids, we can't. Please do your best to ensure your bids arrive before the sale. This public unreserved auction sale again will be held **LIVE** at Stamp Auction Network <https://stampauctionnetwork.com/rm/rm569.cfm>. Please make sure you are registered prior to the sale and feel free to bid as soon as possible or anytime during the sale.

You should have this catalogue prior to the CAPEX 22 international Exhibition. For those of you who can, please take time to come by the show and help make this event an even more spectacular one.

CAPEX 2022 will be in downtown Toronto June 9-12, 2022 at the International Convention Center. <https://capex22.org/>

R. Maresch & Son will be selling the Fred Fawn award-winning Large Queen exhibit at unreserved public auction on the Friday June 10, 2022 at 6:00 PM, after the bourse closes. We will also have some retail items available for the entirety of the show. Please come and visit us at our booths **711** and **713** to say hello again or meet us for the first time.

TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, their decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. PAYMENT IS DUE AT THIS TIME. MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked Packet-USA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked Packet International (where available), or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), they must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by a signature mail service or bonded courier. Lots that have been back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shades, however stamps photographed in colour may not be returned because of shade differences or centering between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS.** Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS:** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's Standard Postage Stamp Catalogue and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection, we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS:** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that they have inspected the lot and agree with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
11. This sale is conducted by and for the account of R. Maresch & Son Auctions Limited.
12. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE TERMS OF SALE.
